From The Desk Of

Dave Bohnen, BOC I&II

Director of Buildings and Grounds

June 4, 2024

To whom it may concern,

We are looking for quotes for the following;

- Remove the existing concrete sidewalk at the parking lot entrance location per sketch.
- Remove and dispose of 3 existing trees and stumps.
- Strip the topsoil and prepare the subgrade, shape, grade, and compact. Haul all excess material offsite.
- Prepare the paving area with 8" of crushed aggregate base course, shape, grade, and compact.
- Furnish and install approximately 40' of new 8' wide sidewalk across the new entrance.
- Furnish and install approximately 40' of new 5' wide sidewalk per sketch.
- Pave 1348 square yards per sketch with 2-1/2" average compacted hot mix asphalt.
- Spread salvaged topsoil around the perimeter of the new concrete sidewalk and asphalt pavement and seed and mulch.
- Stripe 36 parking stalls per sketch.

See attached sketch.

Quotes should be mailed or emailed to: Dave Bohnen, Director of Buildings and Grounds, 1800 Pleasure Island Road, Eagle River WI 54521 by June 17, 2024.
